

CDGA Winter Golf Excursion to Casa de Campo Resort & Villas

FEBRUARY 7-11, 2027

This winter, the CDGA is leaving the cold weather behind and traveling to **Casa de Campo**, the finest resort in the Dominican Republic, for a nearly all-inclusive golf vacation. Our group will have the opportunity to play Pete Dye's famous **Teeth of the Dog** and **Dye Fore** golf courses. Teeth of the Dog is currently the #1 golf course in the Caribbean and is ranked #83 on *GOLF Magazine's Top 100 Courses in the World*. While off the course, CDGA members can soak up the sun on the white sand beach, enjoy cocktails by the pool and dine at any of Casa de Campo's (8) restaurants.
